We received your letter dated March 26, 2013 indicating that Minuteman PAC failed to file the required 24 Hour Report for Last Minute Independent Expenditures. Minuteman PAC did purchase advertisements for \$2,000.00 on behalf of Jeff Flake and \$2,000.18 on behalf of Josh Mandel on October 20, 2012, which was within the 20 days prior to the election. The committee mistook the limit as \$10,000.00 instead of the \$1,000.00 limit which was required for both of these expenditures.
